Be thinking of persons to fill all these positions for the coming year.

CLIMBING SCHOOL SCHEDULE * remaining dates:

Indoor sessions

May 1

May 21

May 21

Climbing sessions have been held on the Kootenai Cr. Cliffs, and one snow climb will be on Lolo Pk. Both areas are fine for hikers. Since this school is a formal series of instruction, it is now a little late to join, but subsequent seasons will bring more opportunities to learn rock-climbing safely.
